What Can We Do

Scale of maternal and infant consumption in China, 2018-2025

Citation: iResearch

Description

Pain points

Objectives

Wear makeup to express yourself.
Its purpose is not to hide flaws,
but to show the world who you really are.
-- Wende Zomnir
(Founder of Urban Decay)

★ Target Consumer

Age	27 years old (post-95s)
Household income	> 21,000 RMB
Occupation	Full-time mother

Independent, pursue beauty, enjoy life, addicted to the Internet, like using
Take care of the children by themselves, The preferred information channels
the integrated maternal and infant community

- Anxious about body shape and appearance during pregnancy
- People around them will be prejudiced that they should focus on their children when they pursuing beauty
- The number of brands available when choosing beauty makeup for pregnant women is relatively small
- Concerned about the safety and the skin care function of the product

Pursue quality life, love children and themselves, resist social prejudice, buy safe cosmetics product
